

## Program Overview

The Kentucky Power Targeted Energy Efficiency Program provides weatherization and energy efficiency services to qualifying residential customers who need help reducing their energy bills. Kentucky Power provides funding for this program through the Kentucky Community Action network of not-for-profit community action agencies. The program funding is supplemental to the Weatherization Assistance Program offered by your community action agency.

If you're having trouble managing your energy costs, this Kentucky Power-funded program can offer assistance. It will provide energy saving improvements to your existing home if you meet the eligibility qualifications. You'll enjoy the long-term benefits of reduced energy costs due to these home energy saving measures.

Program services can include these items, as applicable and per program guidelines:

- Energy audit
- Air infiltration diagnostic test to find air leaks
- Air leakage sealing
- Attic, floor, side-wall insulation
- Duct sealing and insulation
- High efficiency lighting upgrades
- Domestic hot water heating insulation (electric)
- Energy efficient doors & windows
- Customer education on home energy efficiency

## Customer Eligibility

Customers who have primary electric heat and use an average of 700 kWh per month may be eligible for extensive weatherization and energy conservation measures through this program. Customers without primary electric heating may also be eligible for limited efficiency measures if they have electric water heating and use an average of 700 kWh

from November through March. To qualify, a household's income cannot exceed the designated poverty guidelines as administered by your community action agency. To determine if you qualify for this program, please contact the local community action agency in your county of residence.

## How to Participate

Find the contact information for your community action agency at [capky.org](http://capky.org), or by calling 1-800-456-3452. Then, contact your community action agency to determine if you qualify for this energy saving program.

## Other Opportunities

Kentucky Power offers a suite of SMART programs, which are energy efficiency programs for homes, businesses and schools. For more information on this program or other SMART programs, call **1-800-572-1113**, or visit [KentuckyPower.com/save](http://KentuckyPower.com/save).
